

**Presents Our 13 Annual
Extreme Horsemanship
Clinic-Competition-Chili Cook Off
"No Dust"
August 28-30, 2015**

Extreme Horsemanship Competition is exciting, fun and challenging. Horse and rider test their horsemanship abilities as they manoeuvre through a series of obstacles and tasks demonstrating skill and speed. Glenn Stewart will conduct an educational clinic about the competition, liberty and colt starting. All with his unique twist of presenting things to the horse in a way that the horse truly understands and can do.

Join The Horse Ranch for this fun and fast paced three-day educational clinic and competition that gives participants and our community an opportunity to explore this challenging event and expand their horsemanship knowledge. Learn about the horsemanship skills that the judges will be looking for and how to prepare and develop a great horse on diverse obstacles as well as build the fundamentals and skills from trail riding to elements of jumping, dressage, ranch work, reining, roping and cutting.
